2011

COUNTY PROBLEM GAMBLING DATA

Oregon
Health
Authority

Part three

County problem gambling data

(July 1, 2009 - June 30, 2010)

The following are county data pages in alphabetical order. Problem gambling data is presented first, followed by prevention data.

The source of the treatment data is Herbert & Louis LLC (e-mail admin@herblou.com); the source of the prevention data is Oregon Student Wellness Survey 2010 (www.oregon.gov/DHS/addiction/student-wellness/index.shtml).

Questions about the data should be directed to Problem Gambling Services, 503-945-9703.
